# Calling for End User Member from China

## 29 Companies in the End User Community

Calling for More Help in Chinese I10n under sig-doc

<https://github.com/kubernetes/kubernetes-docs-cn>

From KEUC 17 to Kubecon Nov 18, Shanghai

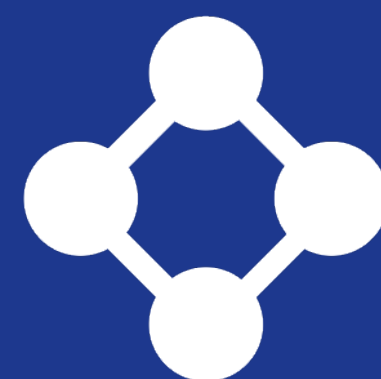

# Looking forward to Kubecon Shanghai

Heptio – Expertise is the key to business

Productivity matters; Multi-cloud is coming; Enterprise is complicated

# Kubernetes Ahead

Taming Extensibility; CKA, CKAD, LFAI, ...

# Training Becomes a Theme

Built-in mechanisms with design patterns, tricks, and imagination

# Focus on Brownfield Applications
